caught in sin:

Chair Sketch - A chair is placed in the middle of a space. Person walks on paints the chair and places a sign saying Wet Paint on it. N.B on the reverse side it says sin. Person walks on. Another person walks on sees sign but chooses to ignore it. Tests the wetness of the paint and doesn't think it is wet, and eventually gets stuck to the chair. Person panics and tries to get free. Whilst the Person is trying to get free a different Person walks past. Repeat twice. Person 3 prays and person 2 falls off. Walk off together as friends. 1st Person comes back on and picks up sign show crowd that it says SIN and places it back on the chair. Walks off.
